Dear Raly Chakarova,

I'm writing to share information about MTO's Oversize/Overweight (O/O) permits.

The current turnaround time for O/O single trip permit applications is three (3) business days.

This information is available on the Oversize/Overweight Permits – Ontario webpage:
<https://www.ontario.ca/page/get-oversizeoverweight-permit>.

We regularly monitor turnaround times and keep stakeholders informed. Applicants who email the general permit inboxes receive automated replies that include the current turnaround time. Additionally, if requested, staff from the Highway Operations Permits Office respond via email with the same information. Should turnaround times change, updates are reflected both on the webpage and in the automated email responses.

If your members require additional information, they may reach out to Meda Belcota at Meda.Belcota@ontario.ca

Sincerely,

A handwritten signature in black ink, appearing to read "J. Boparai".

Jasan Boparai, P.Eng.
Assistant Deputy Minister
